

The Ames Child Care Center (ACCC) is a non-profit childcare center and preschool located at the NASA Ames Research Center at Moffett Field. The ACCC is accredited by the prestigious NAEYC. The ACCC serves families employed at NASA Ames Research Center and the surrounding community. The tuition paid by the parents covers salaries and operational costs only. All other costs, such as playground improvements, tuition assistance, and staff appreciation, are covered by fundraising activities such as the ACCC Golf Tournament. The ACCC is currently raising funds to support our Tuition Assistance Council, preschool shade structures, and facility upgrades.

Tournament Format

The tournament format will be a four-person scramble (best shot from your team used for each stroke). Detailed rules will be provided on the day of the tournament.
