## OUR GOAL

Soccer Shots® is the soccer experience for children, using an acclaimed, creative curriculum (aligned to Ca Learning Foundation standards) and great coaches. Through the beautiful game, we aim to develop character, motor skills and teamwork. Our team believes children are invaluable and our goal is simple: leave a lasting, positive impact on every child we serve.

We have enjoyed each experienced Coach we've had. They always came in so energetic and happy, and best of all you can tell how much they really enjoy teaching soccer to the children. The children's faces light up when they see their soccer coach walk into their class."

- TAMMY, DIRECTOR AT PLAY N LEARN PRESCHOOL
