OUR GOAL

Soccer Shots® is the soccer experience for children, using an acclaimed, creative curriculum (aligned to Ca Learning Foundation standards) and great coaches. Through the beautiful game, we aim to develop character, motor skills and teamwork. Our team believes children are invaluable and our goal is simple: leave a lasting, positive impact on every child we serve.

"The Coaches are outstanding mentors for young children and superbly skillful. There is never a dull moment, the children are in constant motion and their engagement is total. They are obviously having a blast, and being a spectator to the sessions is very entertaining."
